### ***Allowable Subject Matter***

1. **Claims 3, 7-12, 15-17, 20, 22, and 24-27 are allowed.** The following is an examiner's statement of reasons for allowance: The prior art of record neither anticipates nor renders obvious the following limitations of independent claims 24, 26, and 27: "prior to determining actual outcomes of the events within the range selected by the player, simulating the outcomes of each of the events based on a probability that a predetermined outcome will occur, permitting the player to select one of the predicted results, crediting the player's account with predicted winnings according to the player-selected predicted result, permitting the player to utilize the predicted winnings to determine actual outcomes of at least some of the events and adjusting an amount in the account based on the actual outcomes, after a minimum number of the events have been determined".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure and is included in the attached Notice of References Cited.
